MI-MP5-PEPA / MI-MP5K-PEPA Instructions

(Failure to read and follow these instructions will void your warranty)

Gunsmith installation is recommended. Due to many manufacturers of these firearms, fitting may be required during installation

1. Please make sure your firearm is unloaded and pointed in a safe direction.
2. Repeat this step
3. Remove your factory end plate per your guns instructions in the owner's manual.
4. Slide into place the MI end plate and install spring pins.
5. Enjoy your new Midwest Industries product. Thank you for supporting an American business.
